## V-MITRA ENERGY INSTALLERS

V-Mitra Energy Installers is the solar power division (EPC) of Sri Vinayagam Group a reputed manufacturing company.

Established in 2018, we provide photovoltaic energy solutions for residential, commercial, agricultural, and industrial sectors.

Our strong foundation in electrical design, erection, and execution gained through our previous firm, Sri Vinayaga Electrical Contractors has equipped us with the technical expertise to deliver solar PV projects correctly. This experience has also helped us understand and respond to real market needs. Our journey began with solar PV installations and gradually evolved into an independent EPC entity, offering turnkey solutions with an in-house design and execution team. We believe that Planning, Design, Material Quality, and Workmanship are what truly set us apart.

Certifications:
